

Steven Lee Williams

December 20, 1963 - October 13, 2020

Steve Lee Williams, 56, of North Judson, Indiana, passed away October 13, 2020. Steve was born December 20, 1963 to Bernard and Barbara Williams (Pennington). He graduated from Portage High School in 1982. Steve married Jennifer Williams on August 8, 2015. He worked for 30 years at U.S. Steel. Steve is survived by his sons Ryan Rubino, Steven (Hailey) Williams and Branden (Kaitlyn) Williams; wife, Jennifer Williams; brothers, Michael Williams and Jeff (Michelle) Williams; sister, Lisa (Paul) Crum. He was preceded in death by his parents, previous wife Jane Williams and sister-in-law Arlene Williams.

Steve was a compassionate man who loved cooking, camping and spending time with his family. He also loved his two dogs, Macy and Winnie, even though he said he didn't. He loved racing and every year attended Eldora Speedway with friends and family -- apparently what happens in Eldora, stays in Eldora. Words can't express how much Steve will be missed by all.

Visitation will be after 4 PM CT Monday, October 19, 2020 at the O'Donnell Funeral Home, Inc., North Judson, Indiana. The funeral service will follow at 7 PM CT.

In lieu of flowers, the family is asking for donations to the American Heart Association in memory of Steve.

“ Oh the times we had after midnight when you and Randy worked the Beacon. I never seen anyone eat like this man and never gain a pound. You will be missed your loving nature was one of a kind.

“ To me, Steve was a compassionate, caring, generous, and a hilarious man. He was always willing to help no matter the problem. He loved to cook while we were camping. My kids loved his pancakes and tacos. He re-introduced me to the classic country artists my parents played and I grew up listening to as a kid. We loved playing name that artist with his brother Jeff (who always needs help or hints). Every time I've seen him and Jen they always made me feel like a long lost brother. Even when it had only been a few days from our previous camping trip. He was always ready to jump in on a prank and laughed just as hard when the joke was on him. I'll never be able to listen to Eye Of The Tiger without thinking of him. He loved playing Pokemon Go but only when I was playing guitar and he had drank a few. He was never able to catch a single one!

Don't worry about Jen. I'll take care of my little sister and she has a bunch who'll be there for her! We'll find a tracking device for Macy so Jen doesn't get lost.

Brother, I'm going to miss you. May God's love shine upon you my friend! I pray I'll see you on the other side.

“ I'm going to miss him playing his music, usually Classic Rock, and having everyone guess who the band or musician is. He knew his bands. Continued Prayers for Family and Friends, Steve is and will be missed.

“ Steve is my daughters Godfather and Jane was her Godmother, they were there the day my little girl was born and the only friends that actually showed up and hung around for support during the birth. Steve was the only man ive ever met that looked so intimidating, with a tough look on his face, that first few times of seeing and meeting him he always scared me, but once i got to finally know him i was really surprised how nice and funny, and an over all, great person he was and i felt bad for judging him before i got to know him... He would do anything for anyone, even a stranger. I really wish i wouldve stopped in and visited him recently and caught up with him but i have been going through so much in my life right now, that i couldnt find the extra time and go over and visit with him. Steve and Jane both will be missed and never forgotten by my family because they were a part of our lives ...
