“ I worked with Aaron or AK as we knew him at both Interactive Accessibility and TPG. He was a gentle soul but a great colleague. I am sorry for your loss.

“ I am shocked and incredibly saddened to hear of Aaron's passing months afterward. I had the absolute pleasure of working with Aaron for a few years at Interactive Accessibility. We worked closely together on several projects. His bright and timely wit, infectious laugh and his caring, genuine personality made simply being near him always a joy. Not having AKam here causes a void. I am profoundly grateful that our paths crossed albeit briefly. I hope they will cross again.
