“ I am saddened by the news of the passing of Aunt Agnes. She was the last of that generation in our family. With her goes many memories that those remaining in our family do not own. She had shared many recipes with my mother much to my dad's delight. My prayers are with you, Larry and Carol.

“ I am so sorry for your loss. I miss her and her great common sense. She shared her kindness and the produce of her garden with a shirt tail relative. I will forever be grateful. God bless you and yours.
