

Arthur K Mau

December 23, 1944 - November 28, 2025

Arthur K Mau, affectionately known as “Sonny” to his friends and family passed away peacefully at the family farm in Winamac Indiana on November 28, 2025. Born December 23, 1944 to Arthur K Mau Sr. and Marjorie Mau. Art lived a full life characterized by his quick wit, unwavering kindness and a keen ability to find the best in people. He never met a stranger. As a lifelong resident of Winamac in Pulaski County Indiana he grew up on the farm, continued the tradition as a third generation farmer and also completed a decorated 35 year career as a correctional officer for the Indiana Department of Corrections. One of his passions was being the “Art” of the deal and he excelled at collecting a multitude of things including old tractors, glass milk bottles and frankly any good deal. He was a graduate of Winamac High School, a member of Future Farmers of America and 4H, car clubs, an avid supporter of local sports, a lover of animals and farming, and a lifelong member of the Denham Lutheran Church. Art is survived by his son John Mau and Karolyn of Texas. He was the proud

Grandfather of five; Dr. Madison Mau, MD (26) of Denver, CO, Dr. Cole Mau, DVM (24) of Fayetteville, TX, Cooper (20), Harper (18), and Sawyer (15). He was blessed by many brothers and sisters-in-laws, nieces and nephews, and cousins all of which he cherished deeply.

He is predeceased by his beloved wife of 30+ years Loretta Mau (Lawson), parents Art Sr and

Marjorie, parent in-laws Tom and Catherine Lawson, brother Jerry Sullivan, and many other

extended family members and friends. A celebration of life is planned for late Spring once the

weather clears. He was a lover of his animals having a dog and two cats and if you would like to

donate in Art's memory please pick a local shelter to give to.

A special thanks needs to be extended to the many people who helped change Art's path

positively over the years with none as important as Chastity and Kevin. Yours was a gift and

friendship of epic proportion that will not be forgotten. Bless you both. To my friend Becky who

was my eyes and ears at the farm and hospitals when I couldn't be and a protector of all things

Art - Thank you. The many healthcare workers who helped put him back together over all of the

years cannot be overlooked. Amazing people. The care facility and hospice professionals who

helped guide me at the end when it was so needed and their gentle touch and caring exhibited

made my Dad comfortable with dignity for the journey home. And last but not

least was his
caregiver at the farm Rachel who God put in our lives just recently. There are
not enough thank
you's I could send you to truly express my heartfelt gratitude for all you did to
make his last
month the best it could be and in the final hours I know he and I were both
comforted to know
you were there. Bless you.

“ Art was a friend of ours at Olson Auctions for many years. He loved auctions and was so knowledgeable about antiques, toys, collectibles and especially milk bottles. We have so many special memories with Art (and of course his dog Blacky). We will miss him dearly!!
