“ It's all so sudden to loose you and mom in the year of time but my most thought of memory will be the first time I made my own father laugh. Dad you and I looked at each other and shared a tear of joy and so much more at that picnic table, in Cape Canaveral, at Jetty Park. The long conversations and ideas of the wiener stand will be missed. Love ya Dad

“ On a windy spring day, at the ball park in San Pierre, i hit a 400 feet blast and the wind brought it back and Bruce snagged it and still the hardest ball ive hit. That smile... gotcha.
