“ So sorry for your loss. Dad (Stanley Nowakowski) and I enjoyed Carl's company when Dad was his roommate. He was always upbeat and interesting to be around. He will be greatly missed by many. Alice Bau

“ While giving his sermon, whenever he has something particularly important to tell us, he would say "listen to me now, listen!" Or he told my parents when they got married, the only time my dad was ever allowed to yell was if he yelled "FIRE!" He delivered the joke so well my dad was practically leaning in to hear such important advice... Everyone jumped when he suddenly yelled "FIRE!"
Heaven gained a great man. He will be dearly missed.

“ *When I would pick up Carla for high school, I would have to go inside and participate in a morning devotion. He also was the motivational speaker before at least one of my football games.*
