“ Seems like I always knew Jim and Carol. Two of the friendliest people you could meet. Doug I have always known- Keith every now and then. I will admit I never knew Carol was a Registered Nurse- something we shared in common. Carol always had a smile on her face. Jim and Carol were good friends of my parents. I pray that Carol is at peace now and my thoughts and prayers are with Doug and Keith and their families

“ Carol was a part of my life since I was a child and will always be in my heart. I called her Nana and she said I was her granddaughter. She had coffee with me and we always sat and talked. I miss her stubbornness and the way her eyes lit up when she laughed. Will never forget her laugh. She used to walk around and pick food off of peoples plates and take whatever leftovers she could home with her and stayed skinny as a bird. I still can't grasp that she is gone when I just saw her and spoke with her, but she will never, ever be forgotten. She is with the live of her life now and I look forward to the day we all meet again. Love and miss you Nana

“ Our hearts are broken! We are truly going to miss our dear, sweet friend, Carol! We "adopted" her as part of our family! The Lake definitely will not be the same without her. Our sympathies to all of the O'Donnell Family.

“ I remember Carol as we shared on committee of NJSP Spirits boosters. It was so fun making ham sandwiches and riding a fan bus to FB games. She and Jim were great supporters. Condolences to her family.
