

Christopher James Caudill

March 22, 1992 - May 19, 2026

With incredibly heavy hearts we announce that Christopher James Caudill, 34, passed away at home in Toto on May 19th 2026 after complications from his nearly lifelong battle with Type 1 diabetes.

Chris was born in Valparaiso Indiana on March 22nd 1992 to the late James L Caudill and the late Deborah Ann Trent-Caudill. He was also preceded in death by both his paternal grandparents Bennie Caudill and Myrtle (Manns) Caudill Riedy and maternal grandparents Dorise "Beach" Trent and Dorothy Ann (Schadek) Trent.

Chris loved anything with a motor and tinkering in his garage. He was happiest when he was "wheeling and dealing". Forever on the hunt for that next big trade or hidden treasure. He was always willing to help someone else in need: family, friends, the neighbors across the street or even someone alongside the road. He hardly knew a stranger and there was no project too big, too dirty, or too difficult for him to lend a helping hand. Chris was a unique and special character who will be deeply missed by those who loved him the most.

Memorial Service will be held on Saturday May 23rd from 12:00PM - 4:00PM CST at Trinity Assembly of God 22 N Shield St Knox Indiana 46534. All are welcome and encouraged to attend as there will be a luncheon served throughout the service. Details on graveside services will be announced at a future date.
