“ Cord was a member of my first, first grade class. He was such a sweet boy, but ornery and all boy. For Christmas he gave me a rag strip, tied wreath. I liked it so much that I had each child in my class make one for their families. He was a good friend to others and I remember that special smile that could melt a heart.

“ I only knew Cord through his brother Shae, when he would come in the shop and visit. Whenever he was around, his big brother always had a smile on his face and would laugh about whatever crazy story Cord was telling him. My heart and sympathy goes out to all of his family and friends. I'll always have my memories of Cord and I'm sure everyone he touched has their story or stories to tell as well. He will be missed but never forgotten. Rest well Cord.
