

Denise Parkerson

July 8, 1965 - February 10, 2020

Denise R. Parkerson passed on from us unexpectedly on February 10, 2020. She was born in Lowell, IN on July 8, 1965 and spent nearly her whole life in North Judson, IN.

Denise loved putting a smile on everyone's face and had a one-of-a-kind sense of humor that touched everyone who met her. She loved with her whole heart and could always make you feel better with her easy-going personality and kindness. Denise enjoyed and cherished the time she had with her children, grandchildren and recently adopted cat (Phoenix).

She graduated from North Judson High School and spent many years working at Brantwood and recently had been working at Dollar General.

She was the fifth child of Fern R. Parkerson (Whitehead) and William L. Parkerson. Denise's proudest accomplishments were her three children, Adam Genis of Westville, Kimberly Mills (Genis) of Portage, and Zachary Genis of Lake Station. She also adored her three grandchildren, Elise Graham, Nash Mills, and Nora Mills. She was preceded in death by her parents and Marc Bussell her long-time significant other, who recently passed away and are surely having a joyful reunion.

She is survived by her four siblings Bill Parkerson (Las Vegas), Carol Campbell (Utah), Matt Parkerson (Texas), and Karen Abrams (Las Vegas). Celebration of life services will be held at O'Donnell's Funeral Home (302 Lane Street, North Judson, IN 46366) on Saturday, February 15, 2020. The visitation begins at 11am, with a service at 1pm (CST). In lieu of flowers,

“ I am so saddened by Denise's passing. I just now found out and both my husband Greg and I are in shock. We both loved her beautiful, bright smiling face and sunny disposition. I hugged her every time I saw her. We always had a good laugh. We will miss her very much. Rest in the sweet peace of the lords arms kind friend. With much love and respect, Patty Howard

“ I had the pleasure of meeting Denise during a family Christmas party back in 2010. My first memory of her was making deviled eggs together and seeing how happy she is with her siblings when they'd talked to each other, and her love for her children. It's just a simple memory, but one that will last. I send my love to the family, you all are in my heart.
