“ I worked with Donna at OLOHC. She was laundry I was dietary. She was a very sweet lady always had a smile and a hello. I just loved her when I was put on light duty in laundry. Imagine THAT those ladies worked hard and it was a dirty job. My heart and prayers to Donna's family I know she will be missed.

“ The thing I always liked about Aunt Donna was how she talked to me. She always made me feel important. Smart, caring people have a way of doing this and she was one of the best. I only hope I carry a little bit of her with me through life. Peace to her and the family.
