“ If I had to choose one person to represent North Judson as to exemplify our town, it would be her. Hard working, giving, patriotic, friendly and I could go on. Condolences to the family.

“ I have so many fond memories of Dorene but one is very memorable. I met Dorene when she was an aide at Starke Memorial Hospital and I was working in the office. A few years later, I was at my mother-in-law's home when she arrived to pick up pies for a funeral. She looked at me and never said hello and acted like she didn't even know me. I mentioned this to my mother-in-law and found out that it wasn't Dorene but her twin sister Dorreta, whom I had never met and didn't know she was a twin. God's blessings 🙏 to the family as I know she is greatly missed. Gaylon Liedtky Pastella
