“ Barb, sad with you to hear of Edward's passing. It was lovely to see you two "waltz" through years together. Bless you for your garden produce to keep you both healthy. Favorite memory (You shared)? Edward with all your children during Thanksgiving pizza prep!! Our "Lord will. Is near to the brokenhearted...". I stand with you in your sadness

“ I've known Ed from our teen age years. When I'm home and we met at Denham church we have our normal questions with his being "" how are you? Are you still in Michigan?"". My prayers and God Blessings are with you all.
