“ I am so sorry to hear about Everett! He made such a tremendous impact on my life! I am Sam and Evalece Miller's daughter, and when he and Bobette(love you, Bobette, my heart aches for you), would come to Ky they would stay at our house! So many wonderful memories were made! He would pray with me, talk and listen to me and guide me, as best he could! I truly, truly loved him and I pray God will comfort you, Bobette, and all of the family, as you try to put the pieces of your lives back together and, remember, he'll be up there, with Mom, Dad, John Clay, Melva, and the rest of the gang, waiting, with open arms, for the day you arrive to join them! Until then, enjoy your family here because you now have a guardian angel, no, lots of guardian angels, watching over you, but that special one, Everett, will be holding you and protecting you until he sees you again! One more thing, he had one of the most beautiful, loving hearts that I ever was blessed with meeting! He prayed many, many prayers for me, after I had my near-fatal car accident and every time I had a setback, he would call and pray for me over the phone, whether, I was in or out of the hospital! When I was on life support, the family or nurses would put the phone to my ear so I could hear his prayers! He was truly a man of God! You are in my prayers! I love you! Deb Miller Allen

“*Sadly, Amy and I just learned of Evertt's passing last night. His bright genuine smile, kinds words and humor helped Amy through many a rough day at dialysis. You all continue to be in our prayers daily. We think of you often and with love. Wishing you peace.*
