November 12, 1957 - March 29, 2022

Guy Kent Akers of Knox (64), died peacefully at Northwest Hospital in LaPorte, on Tuesday morning March 29th, 2022, after a battle with cancer. Guy was born Nov 12th, 1957, to Rolland and Joy Akers of North Judson, who both preceded him in death. Guy was a lifetime resident of Starke County, and a 1976 graduate of North Judson San Pierre High School. Guy worked for American Oak Preserving Company in North Judson for 45 years, much of that time serving as Plant Manager. He was very involved in the North Judson Little League where he served as both a coach and League President in the late 70s and early 80s, and was an avid golfer playing in the Hamlet Golf League for many summers.

Guy was married to Marilou Bontilao, on November 30th, 2002, at the North Judson United Methodist Church. In their almost 20 years of marriage, they traveled extensively throughout the U.S., and made several trips to Asia. Guy was a dedicated fan of all the Chicago sports teams (especially the Bears and White Sox), and an avid follower of both the Colts, and Purdue Football and Basketball. A big fan of local High School Athletics, he attended many football and basketball games in the community over the past 40 years, and was also a huge fan of the Indy 500, having attended over 25 races with friends and family over his lifetime.

Guy is survived by his wife Marilou, his brother Neal (Anita) Akers of Brems, his sister Jill (Joel) Scutchfield of Johns Creek, GA, Nephews Nathan (Courtney) Akers, Devin Akers, Justin (Megan) Scutchfield, Niece Jennifer

(Jack) Eastman, four Great Nephews, one Great Niece, a God Daughter, two Uncles, two Aunts, and eight cousins.

Guy touched many people during his time on earth, his family (especially his Niece and Nephews), and the many people he worked with at American Oak over the years, along with all those he knew in the community. He will be greatly missed by all who knew and loved him.

“ I spent a lot of time at the Akers home in junior and senior highschool. Then worked with Guy for over 10 years at American Oak. We shared a lot of laughs over the years, he'll be missed by all who knew him.

“ *To the family: I attended school with Guy and we ran track together. Although I did not know Guy in a close or personal way, I always respected him and thought well of him. Guy will be missed, I am sure of that, as his personification and life force could be felt when in his presence. My hope is that someone soon will find a cure for cancer so that we do not have to lose anymore of our family members and friends, especially for someone as young as Guy. My encouragement to the family is that your pain and suffering due to your loss will be short as you allow healing to take it's place through the fond and wonderful memories you had with Guy.*
