“ Dear Edith, Herbie and Tracey,
Please know how sad I am for you all for the loss of Uncle Herb. He was one of a kind and such a great support to our family when Dad was so sick. I can still see him sitting at Dad's table reminiscing about his memories of old Sibio. I hope you all know how proud he was of his family and that you did everything you could in your valiant fight to keep him with you.

If I know anything, it's that he has a loving family rejoicing in seeing him again.

Take the time you need to mourn and may God comfort you.

*With love and much sadness,
Jeannie*
