

## James D Schultz Sr

September 30, 1935 - August 6, 2025

James Daryl Schultz, 89, passed peacefully in his sleep August 6, 2025, holding his beloved tv remote. Born September 30, 1935, he was just 7 weeks shy of his 90th birthday. His daughter Susie, upset he couldn't wait 7 more weeks, knows he was antsy to rejoin the love of his life Flo. He will be greatly missed by his 3 children Kathy, Susan, and James Jr, his 9 grandchildren, 5 great grandchildren and his many friends. Jim packed so much into one lifetime, we'd need a book to cover it all. He enjoyed visiting friends at his daily breakfast spot, Fingerhut Bakery Cafe, talking to local farmers, reminiscing on the good old days and riling up son Jimmy with sports talk. He was always the first to come help, and the first to stir the pot, he worked hard, laughed hard, and kept life interesting. In keeping with his wishes, there will only be a small graveside service at All Saints Cemetery Saturday, August 9 at 11am. He now leaves Kathy in full charge of the tv remote.

“ *Kathy, Susie and Jimmy, I want you all to know I was sad to read of your dad's passing as well as your mom a few years back. Both your parents were kind people. I may have moved away 44 years ago but I do still remember them from when we lived on the farm across the street from your family. Please except my condolences.*
