“ *Jan was my first friend when I started teaching at NJSP in 1996. She was always very patient in helping me use the computer at school and dragged me kicking and screaming into the 21st century. :) She will be greatly missed.*

“ *So very saddened by the loss of a very special woman. I will never forget our "donut runs" to Fingerhut Bakery during first period accounting class in high school. Mrs. Hetterscheidt was one of the kindest, most gentle, caring women I've known and her smile was contagious. Thank you, Janet, for making my high school years so memorable and enjoyable. You will be greatly missed.*
