“ I found out the other day he really liked my beef stew so he called me beef stew. We meet him an instintly liked him. He always had a smile and his eyes could tell you alot of love he had to give. Wish we had more time to know him but god has a place for him till we all meet again. God bless all who are left and know he loved each and everyone of you. Remember all the good things and you will smile like he did. The Andersons Jim and Terri and Vince
