“ Penny and family,
So sorry for your loss. Prayers are with you all. We were very fortunate to have Joe and Penny as neighbors for the last 40 years. A few years back, fighting the mosquitos Joe and our grandson Lucca tried fishing in the pond. What great memories and great neighbors.

“ Dear Sister and all the Boisverts,
I'm sitting here looking at Joe's photo, with wet eyes and a sad heart. Didn't see him much in the later years, but when I was a kid and young man, Joe was very influential in helping me deal with the world I faced. Not so much by direction, but by example. He was always a straight shooter, with a kind word and time for a somewhat lost young man. I admired how he handled life and loved my sister so perfectly. The greatest tribute to Joe is the family that loves him so dearly . May he have eternal rest!

Love to all, Tom
