“ I worked with Joe for 27 years at the North Judson Post Office, he was a great worker, fun to talk to , sometimes infuriating, but always had my back , we had many talks, about life, kids , grandkids. He will be missed.

I also worked at the Post Office with Joe, being his sub for 11 years. Then when he retired he was on my route. He often had a cold bottle of water for me during a week such as this one. The guy would always make me smile. Yes, he certainly will be missed.
