Julephine was a member of the Aldine United Baptist Church for over 30 years. Loved by her Sunday school students, especially the outdoor classes. She loved to sing, cook, tell stories about “Back When” and also loved family gatherings. She pointed many towards Jesus and calmed the anger in those she loved. She lived most of her life in the area but she loved the trips “Back Home”. On her last day she said “She was going to a new home that she’d never seen before”. Back when her health allowed, she was noted for having and going to Yard Sales, far and near. If someone liked something she had or was wearing she would give it to them.
