“ *To Elnor and family,
May God bless and strengthen you thru the coming days. What a blessing Ken was to so many people. Doris looked at him as a brother and he was a very kind, loving person. You were all blest.*

“ *Kenneth Henson was named after his grandfather. While he didn't get to visit with his grandfather as much as we would like we will remind him as to what a loving grandfather he had. One day Kenneth and his grandfather, Kenneth, will have eternity in heaven to visit.*

“ *Pastor Ken was a very quiet and prayerful man, caring about others always and doing for others always first. His heart was very loving and tender, loved his family, his dog, which were all encompassed by God.*

Our deepest sympathy & prayers to each of suffering this loss yet heavens greatest reward.
