“ *Dear Grandpa...News of your passing came to me from your granddaughter the other day. I was sadden to hear of your passing. My friend is missing you, and I am feeling her pain. I can only offer my sincere condolences to her and the family at this time. I did not know you personally, but I leave them with these words of comfort in the days to come. "There are so many things I wanted to do, so many things I wanted to say to you...Remember that I did not fear...It was just leaving you that was so hard to face..We cannot see beyond, but this I know...I loved you so, it was heaven here with you."*
