“ Arlene is sorely missed as a friend and co-worker. Arlene was always quick to make me laugh with a good belly laugh with her funny sense of humor. She brought so much joy into my environment at work. When I think of Arlene and how she impacted my life, I think of her joyfulness, compassion, loving and caring personality, positiveness, easygoing, generosity, caring, attentiveness, hard worker, so gracious, a sincere and cheerful person. I will miss you every day my dear friend, my heart hurts. Although you are gone, you are not forgotten and your memory lives on in my heart. Rest in my peace Arlene.
