“ *Willeen, Jimmy and all the family,*

So sorry for your loss. We are praying the peace of God that passes all understanding will flow through you and stand guard over your hearts and minds. We pray for an abundance of great grace with joy to rest upon you. She has graduated! She has finished the course and now gets to see our sweet Jesus face to face! Old things have passed away. He makes all things new. It can't get any better than that. May y'all float as you're saturated in his ocean of grace during this difficult time.

big love and big hugs

“ *Willeen, Jimmy, Michelle, and families- I'm sorry for your loss. No matter how prepared we try to be, it still hurt to let them go. Please forgive me for not being there, but know my heart is with you all. I pray you are comforted by God's love and find peace in knowing she has been reunited with her mom and dad and Kenny as well as her siblings that have gone on before her. I love you all.* ”
