“ *It was with a sad heart that I read of the passing of Loretta. Loretta and I were classmates at N.J.H.S. and also members of the band. My thoughts and prayers are with her family at this most difficult time.*

“ *Loretta was year ahead of me in school at Saints Cyril and Methodius. I remember her and her family from those days. We shared the same first name. Her father taught me flute when I was 10. Loretta will be in my prayers. Peace to her.*
