“ *Sweet person I ever had the pleasure of knowing. As I was making my noodles today I remember the time you helped me to make them for my bridal shower. That's just one thing memories I have of you God took an angel from us to take an angel back to him*

“ Louise was the best sister-in-law I could have ever asked for. She was a great cook I remember one time Bo and I had went to their house and they had just gotten done eating and what was left she would just set it on the stove cuz she said I got 4 growing boys and they'll have that ate before they go to bed. She said get a plate and so I just took some meat. Man I'll tell ya it was great and very tasty. Until she told me it was MOOSE and that was my last bite. I sure will miss her. I LOVE YOU Louise.
