“ there are so many things I could share about Peggy, a close very dear friend, a VERY HOLY WOMAN, she lived life full and always thought of others 1st and giving it her all, a great listener, compassionate woman, a sense of deep pride and humility, and a sense of humor, just beautiful all around. as she aged in place she thought at times she had nothing to give but she gave herself wholly and completely. I will miss Peg.

“ Peggy was a treasure, a dear and lifelong friend to my Grandma Lottie and a second mother to my own mom, Harriet, after Grandma's passing. I told Mom on Sunday, when she was so upset about Peggy's passing, that there was a wonderful reunion in heaven with the Osinskis and Stonebrakers--neighbors once again.

“ Grandma, you will be missed so very much. We are grateful that you are in peace but selfish in the fact that we do not want you gone.

We love you,

“ Janet,

Your mother touched the lives of people all over the world. Over so many years, there were countless rosaries prayed for so many special intentions. Directly or indirectly, each of us was blessed by these prayers.

May Eternal Rest be granted unto her, O Lord. And may perpetual light shine upon her. May her soul and all the souls of the faithful departed, through the mercy of God, rest in peace. Amen.
