“ Pam I am so very sorry for your loss. But as you know our loves ones are with us every day in our hearts and memories. How blessed we were to grow up in a small town with our parents being such a huge part of the community. What wonderful memories we will carry with us the rest of our life. I still think of Gary now and again and still have a letter he wrote to me decades ago.

“ Sad to see Mam pass but her body was worn and Jesus has called her home to be with Him, Papa Perry, & Gary. So many stories!!! I was one of the second "daughters" and our daughter Cassey was Papa & Mama Marian's 1st as we say granddaughters. They took her home with them to play at least 1 to 2 times a month for fun!! The dancing , singing, parties, always coffee, milk, rolls and coffee cake for eating. Cleaning the shop, running errands, and Always checking in with her at 11 p.m and where we were. And the list goes on and on. She will always be in our families heart. love, prayers, and big hugs, and deepest sympathy, Margie & Larry Pixey

“ *Having just seen this, I send belated condolences to Pam. Your mom and dad were both special to me (and to my mom), and of course I was friends of both you and Gary. He and I of course reconnected in our Chicago lives and became better friends than ever. Pam, it's now up to you to carry on your great family's loving name and traditions. You take care. Loving thoughts and prayers, Denny.*
