“ Mamaw, Words cannot describe the pain and sadness I feel right now! You were the best mamaw anyone could ask for. You were the most loving, caring, funny, thoughtful person! As we drove home today, I thought about all the times we had together and I swear I could smell you there with me! I was not ready for you to leave! My heart is shattered! I know you will always be watching over us though. You always put others first and did everything you could to help! I would give anything just to tell you I LOVE YOU one last time! You will FOREVER be in my heart! Until we meet again, just know that I love you to the moon and back!

“ Mammaw

I really miss you. I have never seen the family so sad. So many tears. Yesterday was the twins and treys party and It wasn't the same without you. I remeber turning my phone on after school and seeing that mom texted me. I opened it and couldn't believe my eyes. I thought it was some mean joke mom was playing on me. Then I started asking questions and realizing that it was the sad truth. I still remeber all the the times when you would say warsh and I would always correct you. Those were good time. I remeber ever get together we have ever had that your bright smiling face would always be at. We all love and miss you soo much Mammaw words can't even describe it. I love you. I have to see you again someday. Rip Mammaw.
