“ Time has gone by so fast. Seems like yesterday that the class of 51 graduated from North Judson. There were 51 of us and that number is getting less each year. May God bless.

“ I was so proud when the baby sister (I cannot recall her name) played guitar with my first wife for chapel at Culver. A Whybrew and a Nielsen were making music again. This goes to terrific, loving parenting on the part of Mary Ellen and the trumpeter. I greatly admired both your parents, so please know you are all in my thoughts and prayers.
