“ Love you Mamaw. I'll never forget your smile and kind eyes; your excitement at Gene and I's wedding and the love you have for your grandson. I will miss your stories about flirting with male nurses and your love of jewelry! I was blessed to have been with you for 5 years but even more blessed to be able to hear Gene's 38 years of memories often. We love and miss you-Love Amber, Gene, and Brenna
