

## Maynard Plank

April 26, 1951 - November 28, 2020

Maynard L. Plank, 69, of North Judson, Indiana passed away on November 28th, 2020 in Valparaiso, IN. As a loving husband, father, and grandfather he is survived by his wife Dottie (Coldiron), 2 children, 2 grandsons, 2 sisters, and 2 dogs.

Maynard was born on April 26th, 1951 in La Porte, Indiana to Robert R. and Maryetta (Euler) Plank, Sr. He would go on to serve in the army as a cook during the Vietnam Era receiving his basic training at Fort Polk, LA.

On August 17th, 1974 Maynard married the love of his life, Dottie, they celebrated 46 years of marriage this year. While they shared many similar interests, the greatest commonality that Dottie and Maynard have had is their love of the Lord and their faith, they attended church at Free Baptist United Church off of Highway 39.

Maynard worked at Teledyne in La Porte before he became a semi driver, which he did until he retired. He enjoyed being outdoors, especially fishing, both of his children have fond memories of fishing with him growing up and can recall reeling in their first big catch with dad. He also was a handy-man, always working on completing a project around the house and the yard. Many will recall having an opportunity to talk on the phone with Maynard about absolutely anything as he enjoyed keeping in touch with family and friends.

Maynard was the kind of person who would drop anything to help others as he believed that you get what you give. His kindness and hospitality touched many in his lifetime.

He is preceded in death by his father and mother, 2 brothers, and grandson.
