

Michael R Schumacher

May 11, 1940 - February 19, 2018

Michael Ronald Schumacher, 77, of San Pierre, peacefully, went home to be with the Lord and be reunited with his parents, on Monday, February 19, 2018. He was the son of the late Mike and Helen(Ficz) Schumacher, born May 11, 1940 in Chicago, IL.

After graduating from San Pierre High in 1958, he went on to the Art Institute of Chicago to study fashion, later he enlisted in the Army reserves. On September 25, 1965, he married the love of his life, Ruth Ann Pinkerton.

Michael worked at McGills as a Supervisor and retired from MB Manufacturing. He was a member of All Saints Catholic Church.

Michael was by no means ordinary in any way. He was an extraordinary husband, father, and grandfather. Stubborn at times, but wonderful. He taught us lessons we didn't even realize he was teaching us until now. He taught us to be strong and to be there for each other when times get tough. He was a Hero in the eyes of his children and grandchildren. He fought a good fight but was tired and ready to meet Our Heavenly Father.

He enjoyed quilting, birds, woodworking, gardening and was the king of gag gift stocking stuffers, but his favorite pastime was spending time with his family and watching his grandchildren at various extracurricular activities. He was so proud of his family and loved them very much.

He is survived by his loving wife, Ruth, of 52 years, eight children, (yes eight because he loved his in-laws like they were his own), Andrea (Michael) Gerhart; Chad(Tammy) Schumacher; Tony(Linda)Schumacher; all of North

Judson and Allison(David)Wenglarz of San Pierre, his grandchildren, Autumn, Kacie, Zack, Morgan, Maddy, Ty, Emily, and Maxwell, and one great grandchild, Hannah.

Preceding him in death were his parents, sister, Carol Volk, and infant son, Troy Michael.

“ There are just too many memories of Mike and Mike and Ruth. I am so sorry for his family and agree that he is with God now. If it were not for Mike and Ruth his classmates would not have been able to get together as much as we were able to. Ruth and Mike made it possible. Thank you both!

“ Schumacher Family, after hearing of Mike's passing I thought back on how you were all a big part of my life growing up and the more I thought about it you were a HUGE part of my life growing up. I got thinking back on the days of sledding down the hill in the front yard to playing softball in ball field that Mike made and it was all good times. Back in 1970something I was naive kindergartener who met this chubby kid that had this awesome cushion for nap time and who one day was kind enough to let me use it. I asked him where he got this awesome cushion and he said my dad made it. I am sorry that I could not be there during the celebration of Mike's life and I hope you do celebrate his life as it is not that you go but it is what you do before you go and for me I think Mike did a pretty good job and Mike Thanks for making that awesome cushion.

“ Ruth and family, I'm so sorry for your loss, Mike was so talented in making his quilts and sewing them by hand. His were some of the most beautiful and well constructed quilts that I had the pleasure of quilting. God bless. Rose Husk
