“ How have John McDaniel and Henry Ruiz not been charged yet!?!? They killed Nick in cold blood with a crow prod. The police refuse to act despite the endless emails they receive. These men killed Nick and are just living in Judson. Do something now before you all look real bad when we get someone serious on the case. JUSTICE FOR NICK!!!!

“ *Nicholas was my husband, the dad to my two beautiful babies, my best friend in this world, and I cannot imagine going through life without him. I am thankful for the many wonderful memories I have that I can share with our boys and tell them how much their daddy loved them. I will miss him every day for the rest of my life and nothing will ever be the same.*
