“ Norbert was a fixture at the Nutrition Site at the North Judson Girl Scout Cabin for a long time. He was an ardent volunteer and often said it was "his home and we were all his family". He is going to be sorely missed every day. Rest in peace dear friend.

Norbert, was a part of my working life here at the North Judson Senior Site/ Girl Scout Cabin He was a great help to me daily when he came for meals and volunteered. We had many conversations or maybe I talked too much but he never told me so. Lol. When I had time I would play cards with him, something he truly enjoyed especially with the other seniors. He always said this was his home. He was loved by all. He will be greatly missed. Rest in peace dear friend. Sherry Lapacek Senior Site Manager Program Coordinator.
