the sky, always putting others before herself. She was truly the 'best of the best', a nurse whose laughter and smile will be deeply missed by all. Her patients were fortunate to have her as she had a unique way of making them smile, no matter the circumstance. She touched countless lives with her compassion and care." “ *Patty was more than just a friend; she was a constant presence, always there when I needed someone to talk to. Her passion for nursing was extraordinary—she truly loved the people she cared for, and she cherished every moment with them. Patty's kindness, love, and humor were boundless, and her faith guided her in all she did. She never did anything halfway; she always went above and beyond, whether in her work or in her relationships.*

We shared so many laughs and tears together, moments that will forever be etched in my heart. Patty's love for her children and grandchildren was a beautiful thing to witness, never going unnoticed by anyone who knew her. She was a light in the lives of so many, and though she may be gone, her spirit and the love she shared with us will continue to shine.

Patty, you will be missed beyond words, but your legacy of love, care, and unwavering friendship will live on in all of us who were lucky enough to know you.

She was the best thing that ever happened to you, Randell Back. That's why she filed for divorce, put a restraining order against you and had the police escort you off her property, just weeks ago. You loved her so much you called the life insurance policy an HOUR after she passed to get that money! The policy's you fraudulently changed July/23rd. Everyone will know the kind of loving "husband" you were. I love you, Mom

Patty Back, you had me with that quirky smile, your silly antics, your humor. Most of all your generosity. You have a heart of gold ✨💛. You touched so many people. You'll never be forgotten ❤️. I have so many funny memories and moments of you and all of us at CKLC. One time, of so many, Sr.MJ wanted her chin hairs plucked, lol, she lost it! You would go on vacation and I sent you pics of Sr MJ blowing you kisses 🍷. She loved you so. Now you can love on her all you want! I know you're enjoying heaven. See you one day. You were amazing my friend.
