“ I, like a lot of parents had contact with Mrs Pinilla through our children, she was such a wonderful teacher and had a wonderful way with all her students, she just had a calming personality. My girls both had her and they loved her. Mrs Pinilla touched alot of lives with being a teacher and she will be missed by many. May God keep you all in his loving hands at this difficult time and bring you peace.

“ My thoughts and Prayers are with the Warnke/Pinilla families. Rhonda was a beautiful person both inside and out. She was a joy to work with and always cheerful and upbeat. She began each day (regardless of her problems) with a smile and a positive attitude. She certainly earned her wings with her beautiful lifestyle and positive role model for her students and co-workers.

“ For such a sweet person, for such lofty spirit, for such a careful daughter, for such a lovely wife, for such dedicated mother, for such dear sister of us, for such committed soul in God service, there is only one award, one destiny, which is destiny of Glory at God's presence, ruled by the higher expression of love and shared by the saints.

*Rhonda received this grace before than us. We all must keep on this path, be aware of our faith and carry on the good battle, so we receive the same grace of take part in with her and all our loved ones, the presence of our Lord and Redeemer and abundance of God's Kingdom.*
