“ *Richard Holtz is one of those very memorable Christian gentlemen. My late husband, Gene Rajchel, and I worked with him on many committees at the St Johns UCC in Crown Point. He was caring and involved, but would put up an argument whenever he thought we were going in the wrong direction. I remember him with respect, and friendship. Rest well with the Lord, Richard.*

“ *John 14:2-3 2 My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? 3 And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. Rest in your heavenly room, Richard Holtz.*

“ I am so sorry to have learned about your dad's passing. Your Aunt Lois was our step mother. She was a wonderful lady. When she married our dad, we were so blessed that your dad also became a part of our family. We enjoyed visiting with him when he'd come to Danville for his VA appointments. The last time we got to see him was when our dad passed away 2 years ago. I enjoyed the many card, letters and phone chats with him over the past 23 years. When his Christmas card arrived this year, I was saddened to read that he was in such failing health. When I wrote back to him I had no idea that his is passing would come to be so soon and that there'd be no more new from him. Please know that all of you are in my prayers. I hope it's a comfort to know that he touched our hearts with his friendship. He will be missed .

“ Our deepest sympathies to the entire family. May God fill the void in your hearts as only he can through his Holy Spirit. It is such a comfort to know we can pray through our intercessor and Jesus Christ can say hi to our love ones that are with him. In Christs love, Bob & Dianne Burgess.

“ My deepest condolences to Dick's family. He was my Sunday School teacher when I was a kid at St. John's United Church of Christ in Crown Point. I became friends with him on FB and we did message a few times. I remember him as such a great guy. May he RIP!
