“ We are heartbroken....Dennis and I have known Richard and his family for many years as dear patients of ours - but this past year we got to know him as a wonderful companion to our sweet Mom, Marilyn! They were just the cutest couple - full of joy and laughter! Making plans for the future and enjoying their new found happiness! Richard was a wonderful addition to our family gatherings always kind and quick with a big smile followed by his hearty laugh! Richard will be greatly missed by the Marilyn Pacilio family - he meant the world to us. We are so thankful to have been blessed to have him in our lives ..... it was just not long enough. Prayers to Richard's children and family. Thank you for sharing him with us.

Thank you for “adopting” him into your family. I know he was very happy and that Marilyn meant a lot to him. Such a blessing. Thank you all

“ So sorry to hear of Dick’s passing . Many times we wonder whatever happens to people we meet along the road of life and then sometimes we learn of their travels ending . I only knew Dick in the workplace of the restaurant that I managed and cooked at in Toto when he worked for R W Pool restaurant supplies. I saw him once a week for several years to place my order with him but he was a very impressive and kind Gentleman that was very helpful to me . It seemed to me that his nature was such to everyone , so sorry ! Dianna Vires

“ I’m heart broken 💔. He came in every Friday night for fish at Route 10 for years. Fred and I even had breakfast with him at Fingerhuts not long ago. We’re good friends with his son Rich. Nicest guy! 🙏
