“ I will miss Bob more than I can even imagine. He was one of the kindest men I've ever known.. He was so wonderful to my children and treated them like his very own grand kids.. He loved my mom dearly. Whenever we saw each other he would hug me tight and it made me feel so loved and safe.. One of my fondest memories is when we all went dancing..Bob and I were on the dance floor and he kept yelling in my ear.. Would you let me lead all ready.. Cracked me up...I loved him immensely and will cherish every memory. You all have my deepest and most heartfelt sympathy on the loss of such a special man.. until I meet you again Bob I hope you are waiting when I get there.. God has you in his hands now.. love all ways.
