“ Carol & Vicki, I am so sorry to see the passing of your brother. It's been many years since I have seen him but the picture is spot on. He doesn't look like he aged at all. My prayers are with you girls and your families. Most sincerely, Kathi Pugh

“ Bob has been my friend literally my entire life. Before we started school in Mrs. Jan Richardson's class, we both attended St. Lukes Church. At one time, some people in the area referred to Bob, myself, and some guy named Blaha as the 3 Stooges. Even though I hardly get a chance to be back in SP, on those occasions when I was lucky enough to run into him, our friendship seemed to resume as if I still lived up home. To say that Bob is a wonderful person is the greatest understatement I can imagine. I was so lucky to call him my friend. I grieve with the family and the whole San Pierre/ North Judson community.

“ I have just been informed of Bobby's death. My condolences to his family. I remember him as my baby sitter, a fishing teacher, and one that taught me about driving on the farm. He helped create my interest in farming and agriculture that grew in my FFA career and professional life.

A good man that was a great community asset and friend.

May he rest in peace.
