Roger enjoyed riding his motorcycle, playing darts, helping others with their needs, gardening, and hanging out with his friends. His friends describe him as a principal leader who followed his heart. He could be harsh at times but called it as he saw it. An alpha male only in the best sense, you can rarely find a man like him nowadays and it takes a Hell of a woman to keep up or should I say handle him. He found the woman like that in Jo Anne. For Roger hard is good God Bless You til We meet again.
