“ I will always remember Aunt Rose cooking in the kitchen with Grandma Redlin, playing cards with all of the family, and rooting for her baseball teams. Good memories. She was someone we all turned to when wanting information about other family members and always enjoyed the Redlin reunion and visiting with her. I always cherished the fact that she was my Godmother. Love you Aunt Rose and you will be missed. Janie Warkentien

“ Our thoughts and prayers to all of you from Di & Ted, Dawn, Todd, Tami and our families. Rose was a "tough as nails" aunt (great aunt) but always someone to depend on in a time of need. She also had the most addicting laugh, especially during those late night card games, and I still can hear it like it was yesterday. Cherish all of the fond memories and know that she is at peace in heaven.
