“ Tho I've not seen Shari for many years, I remember her Brother, Tom, and Sister,Aimee entering the Jr. high and their impact on sports. As an older Sister, Shari was looked up to. My heart aches for this loss.

“ I met Shari and her family thru Her Aunt Mae Garbsion, we would always go to Indiana almost every weekend from Chicago, we would stay at the Zimmerson's house, we were young, we were carefree, we had fun. We would have pizza ordered and eat popcorn and watch scary movies then go play hide and seek in the corn fields right by their house. those weekends are great memories. Years later I learned that Shari had moved to Las Vegas where I now reside, we had re-connected and remained friends but we never had gotten together. Something always came up, boy do I regret not trying a bit harder. She was always kind, sweet and so funny. We will meet up again Shari and this I promise, love you girl <3

“ I remember Shari from when she was really young. I was friends with Bonnie (via Debbie Agee) and spent some time at their house. I later reconnected with Shari through Facebook and had the chance to see what a free spirit she'd grown up to be. I talked with her just before she moved back to North Judson and then lost contact again. When I found out she had been killed in an accident, I was so saddened as I know her family must be totally shattered. My heart goes out to you all! Unfortunately, my sister is also at O'Donnell's with Shari. May their spirits meet in eternity!
