January 15, 1951 - December 31, 2025

Sharon Darlene (Budka) Pfof (January 15, 1951-December 31, 2025)

Sharon Pfof, a devoted mother, grandmother, great-grandmother, and woman of deep faith,

passed away peacefully on December 31, 2025, at the age of 74, due to complications from a sickness.

Born on January 15, 1951 to James and Mildred Budka in North Judson, Sharon faced life's

challenges with extraordinary grace and resilience. For many years, she courageously battled

multiple sclerosis, yet she never allowed it to diminish her spirit. She maintained a remarkably

positive attitude throughout her illness and often shared the wisdom that guided her: "Never

question God's plan for you." Her strong Christian faith was the foundation of her life, inspiring

everyone around her with her trust in God and her unwavering hope.

On October 25, 1969, she married Kenneth Pfof who preceded her in death. Sharon poured boundless love into her family, finding her greatest joy in time

spent with her

children: Tamara, Wendy and Kenny, grandchildren: Ryan, Riley, Rebecca, Brice, Brennan,

Ridge, Kendall and Keaton, and great-grandchildren: Regan, Olivia, Shiloh, Kenna, Bennett and Brady. Her warm heart, gentle presence, and quiet strength touched countless lives.

She is survived by sisters Nancy Foushi and Joyce VanKley along with brother Bruce. She is

preceded in death by her parents and brother Richard Budka. She is survived by extended

family and dear friends who will forever cherish her memory.

Sharon enjoyed listening to audible books, watching episodes of Criminal Minds, Notre Dame

football and never turned down a good Hallmark movie. She always looked forward to visits

from close friends and family.

Sharon's legacy of faith, perseverance, and unconditional love will continue to shine in the

hearts of all who knew and loved her.

Visitation will be held on Saturday, January 3rd at 11 a.m. at O'Donnell Funeral Home in North

“ I was blessed to care for Sharon, as well as her husband Kenneth. Sharon was the sweetest person. I enjoyed spending time with her as a nurse and wound specialist. We had a deal when I had to do a treatment, I would belly dance for her. We laughed so much. She's the definition of true grace. She certainly earned her wings. Lorraine David.
