“ My memory of Stevie was in the 70's. He was the free spirited, afro wearing, always happy guy. I appreciate that he and Colleen worked so hard on keeping the family history alive! Stevie will be greatly missed.

We send you all our love and support,

Another member of the Class of 75 moves on! Played sports with Steve from 7th grade on and always remembered his work ethic. As too often happens, we lose touch with classmates and don't always see them at reunions. My prayers to his family for there loss.
