“ Kathy, I am sorry it has been so long. This hit me with surprise and much sorrow today. I remember playing at your house, the farm and running wild in the basement of Central Auto. Throwing darts started early for us while we threw darts at little green army men. This was before we started with Jerry, Mark, and Jason at O's. My hearts and tears are with you Kathy, Angie and Lori. If you ever need anything please let me know. Unfortunately I can't drive right now so I will not be able to be there Saturday. Know I am there with you in heart and spirit.
