

Todd Norrell

July 17, 1977 - February 5, 2026

On Thursday, February 5, 2026, Todd Alan Norrell, loving husband and father of five, passed away at the young age of 48. Todd was born on July 17, 1977 in Marietta, Georgia to Carolyn and James Norrell. Todd grew into the humble, kind and good hearted gentle man he was until the day of his passing. Todd passed peacefully at the Community Hospital in Munster Indiana surrounded by his wife and children. Todd attended Cherokee High School in Canton, Georgia. He married his first wife, Carrie (Marchman) Norrell, of Canton, Georgia, December 2, 2000, in Holly Springs, Georgia. They went on to have three children, Montanna Alexis Norrell, of Demotte Indiana, Hunter Lee Norrell, of Winamac Indiana and Halen Wylde Norrell, of Medaryville Indiana. Todd had been engaged to Misty Rose Kerby, of Medaryville, Indiana, since 2021 and became an amazing stepfather to her two children, Bailey Sue Kerby, and Phillip Maxwell Kerby both from Medaryville, Indiana.

Todd was an amazing musician who enjoyed playing music and singing. He played several instruments such as the bass, guitar, piano, ukelele, mandolin and the drums. Todd enjoyed reading but above all else he loved quality time with his family. He was a gentle soul who would always be the first to lend a helping hand, a shoulder to cry on or an ear to listen. He was never judgmental and treated everyone with love and compassion.

He was preceded in death by his Great Grandparents, Effie and Grady Goode, of Canton, Georgia and his Grandparents Betty and Denver Childers, of Holly Springs, Georgia. He is survived by his mother Carolyn Norrell, of Cartersville, Georgia, brother Brian Norrell, of Cartersville, Georgia, his Aunt Rachel (Terry) Nichols, of Holly Springs, Georgia, his Uncle Tracy (Lina) Childers, of Jasper, Georgia, Uncle Troy Childers, of Adairsville, Georgia, his Aunt Crystal (Robbie) Wingfield, of Adairsville, Georgia, his Daughter Montana (Kenny) Norrell, of Demotte, Indiana, his Son Hunter (Alyssa) Norrell, of Winamac, Indiana, his Son Halen Norrell, of Medaryville, Indiana, his Wife Misty Kerby, of Medaryville, Indiana and his Stepchildren Bailey and Max Kerby, of Medaryville, Indiana.

“ Todd was part of so many of my favorite memories growing up. We played and laughed like best friends, and sometimes argued like brother and sister, but through it all there was always love. I will forever be grateful that we grew up together and that I have those precious memories to hold onto. My heart is heavy, but I take comfort in knowing how much he meant to me and to so many others. Godspeed, cousin. Sending all my love and prayers to the kids, Brian, Aunt Carolyn, and Mitsy.

“ My husband and I had the honor of being Todd’s Aunt and Uncle. He has blessed us many times over his 48 years. When Todd and his brother were young they would always come to our home with their Momma and Daddy and spend nights when it snowed/iced. Keep in mind, this was in Georgia and these weather conditions were a big deal. In the late 70s-early 80s, we could look forward to a week of vacation due to an inch or two of snow. Our two daughters, Kelly and Cyndee, and Brian and Todd kept us entertained during this time. When they weren’t outside playing, they could come up with a musical or comical routine in no time at all. Because they were at our house (daughters only) they sometimes had to stoop to playing Barbie and my pretty pony (forgive me Todd). There are so many fun times I could talk about (Florida vacations, Stone Mountain picnics, fishing on the lake, Christmases at Nannie’s house, playing in backyard pools, etc.); it would take a book. We really had some great and memorable times together. We watched Todd grow from a child to an adult. We were fortunate to see him get married and experience becoming a father to three children. Following his moving to Indiana several years ago, he met his fiancé, Misty, and become a father to her two children as well. We are so thankful we had the chance to go to Hunter’s wedding this past September. Todd took Terry and me on golf carts rides showing us his home and property. He was proud of the time he spent there. Todd was excellent about calling his Mother each day and because my husband and I are retired and home (when we’re not going to doctor’s appointments) we were in on several three way calls. He also took time to call us on his own. We enjoyed numerous phone conversations with him. We discussed world economics, politics, childhood antics, any and everything. There was no topic Todd wasn’t knowledgeable about. Our hearts broke last week when we got the call that he had had a stroke. This just doesn’t happen to 48 year olds. Todd had experienced back problems for years but he was a warrior and I’m certain he fought with all the might he had. We loved him and will miss him so very much!
